eBooks

Three Ways to Enjoy eBooks

Download the App

1. Download the **OverDrive Media Console** app on your device
2. Click **Add a Library** and search for Washington County School District—make sure to highlight the star next to the name.
3. Once the library is selected, you will be able to open the app and browse the collection. You will need your school email credentials in order to check out items.

Example:

Student Email: 17kreyljadr@washk12.org

Username: 17kreyljadr

PW: Is your email password

*You must authorize the Adobe Digital Software on your first use, but it should walk you through the process and takes minimal effort.

Kindle Devices and Kindle App

1. Go to: washk12.lib.overdrive.com
2. Login using your school email username and email password.
3. Browse/search for a Kindle book to borrow in the collection
4. From your bookshelf, select **Download>Kindle Book> Confirm &Download**
5. You will be directed to Amazon.com where you can sign into your Amazon account associated with your device and select **Get Library Book** where the book will be delivered to your device or app.

Example:

Student Email: 17kreyljadr@washk12.org

Username: 17kreyljadr

PW: Is your email password

Download or Web Browser

1. Go to: washk12.lib.overdrive.com
2. Login using your school email username and email password.
3. Select the title you wish to read
4. You will be taken to your reading bookshelf where you have the option to Download or Read In Your Browser. Selecting the Read In Your Browser button will immediately open the book for reading (as long as you are on a wireless connection). Download will add the title to your device.

Your book will stay checked out to you and remain in your bookshelf until the due date.
