Representative V. Lowry Snow
912 W. 1600 S. Suite B-200
St. George, UT 84770

Gentleman:

On behalf of Snow Canyon High School, we would like to thank the Utah Legislature, especially our local Senator and Representatives, for your continued support of funding for the School Trust Land.

We, the Snow Canyon High School Community Council (the "Council"), are tasked with the responsibility of overseeing the disbursement of funds provided by the School Land Trust Program. The Council is very careful to make sure the funds are spent appropriately to positively affect the learning of the most students possible and enhance their academic excellence.

The school was provided with approximately \$104,000 which we voted to purchase chromebooks for classroom use by students, financial management literature, and reading intervention. This year we also were excited to have approved funds for the use of an intervention specialist for students who are in need of mentoring at the school. Other schools have used this program and have seen benefits. We know these materials and additional support will aid the progress of students in test scores and classroom success.

School Trust Land funds have a direct and positive impact on our students.

We look forward to your continued support of the School Trust Land and the students of Utah. Your support does make a difference.

Sincerely,

SNOW CANYON HIGH SCHOOL COMMUNITY COUNCIL
